

CHILDREN'S UNIVERSITY SCOTLAND Explorer Challenge

Have you visited somewhere new? Did you take in some fun activities while you were there? Did you try something new or learn a new skill? With our **Explorer Challenge** activity sheet, you can collect a Children's University credit!

Where did you visit?

When did you go?

Who did you go with?

What activity did you take part in?

What did you learn?

Is there something that interested you or surprised you that you didn't know before your visit?

Or is there something you felt more confident or excited about after taking part?

Would you recommend this?

Should other children your age take part too?

What's the number one reason why they should try this activity?

How would you rate this activity?

Colour in the stars to give your rating out of 5.

Now show your teacher your answers, then head to **Aspire** to collect your credit!

Well done explorer!

JUST FOR FUN... (optional) You can use the space below to draw or write about one fascinating thing you learned or experienced on your visit.

1 credit

Collecting your credit

1. Complete this activity sheet
 -
2. Show your answers to your teacher
 -
3. Your teacher can check that your activity fits the bill and merits a Children's University credit
 -
4. Fill in a line in your Passport with 'Explorer Challenge' and the date, and ask your teacher to sign it off
 -
5. Log onto www.cus-aspire.com and search for 'Explorer Challenge' to log your credit online!
