

Build your Children's University Award!

You need 30 credits to achieve your first Children's University Award.
This page shows the kinds of activities someone else has completed to collect their 30 credits ...

Each row in the table is an activity, and each activity earns a credit coin

Remember! These activities are just examples. The kinds of things YOU choose to do could be very different!

1	I will get my first credit for doing this activity sheet!	16	
2	I will do 4 arts and crafts activities at home so this takes up 4 rows. I will choose some from the Get Creative page in the Children's University magazine	17	More outdoors activities because I like playing outside rather than being inside. I will choose some from the Get Outdoors bit of the magazine
3		18	
4		19	
5		20	
6	Football Club at school because I already go to this every Wednesday I will get about 8 credits from this if I go 8 times (so this is 8 rows!)	21	Go to a museum like the Mining Museum
7		22	I could go to some new lunchtime clubs at school if I find out when they are and maybe get my friend to go with me
8		23	
9		24	Do some Sumdog maths games online at school or at home
10		25	
11		26	Do some baking at home as I saw the Ready Steady Bake activity on Aspire
12		27	
13		28	
14	Go to the park twice in the holidays and do a nature walk - I haven't been in ages so I will go with my mentor or family member	29	Visit the library in my town and do some reading activities as I can see there are lots of reading activities on Aspire
15		30	

There are lots of activities to choose from! Why don't you try to plan your own award over the page?

30 credits = a Children's University Award!

My Children's University Award...

Got some ideas for the activities you want to do?

Write down your ideas in the table to plan your award...

If you don't know what activities you could do, try checking www.cus-aspire.com or the *50 Ideas* magazine for ideas

Don't worry if you don't complete every activity in the table - this is just to help you plan. You can complete your award however you like!

You can collect your first credit by completing this activity sheet! Search for 'Build your Children's University Award' on Aspire...

1 Complete this activity sheet to collect your first credit!

Remember!

The first award at Children's University is for 30 credits.

Each time you take part in an activity, write it down in your Passport and then log it on Aspire. You will collect a credit coin each time!

You can search for activities on Aspire, or in the 50 Ideas magazine.

Is there an activity you want to do that isn't listed in Aspire? Ask the activity provider to register for Children's University! Send them this link bit.ly/registermyactivities (or pass them a Join Us card).
